

"The Light"

Disturbing The Darkness With God's Truth

News of End-Times Events & Biblical Wisdom ~ First Edition

WHAT IS GOING ON IN THIS COUNTRY!

Crime is a plague. Illegals swarmed our borders. Dishonest elections. Crooked politicians. Killing the next generation promoted. Thievery ignored. Criminals released after being arrested. Police defunded and handcuffed. Illegals coddled while veterans and others are ignored. Inept leaders who foster divisions and promote evil. Children influenced to "choose their sex." Unbelievable price increases for essentials.

IS THE FUTURE BLEAK?

If you haven't read the Bible extensively, you really do not know what is going on! Our purpose with this monthly newsletter: "The Light," and tied to our website: ***"SharingGodsAloha.com"*** is to alert you to events that have been prophesied centuries ago, and are NOW COMING TO PASS!

Our intention is to bring you more up to date with each issue. Our intention is to provide pertinent information so you will truly be able to answer the question: ***"WHAT'S GOING ON?"***

FOR INSTANCE ~ What Is The Significance Of Jews Returning To Israel?

On May 14, 1948, Israel was reestablished after 2,000 years, and Jews flocked to the rebirthed country in droves from all over the world. An incredible occurrence! Not only that, they established ancient Hebrew as their national language, and the ancient Shekel as their monetary system, and its capital Jerusalem! *

A COMING EVENT OF SIGNIFICANCE ~ Extraction Of Christians.

While the world is in turmoil now, with evil and corruption all around, we've seen NOTHING yet. The Bible states that God will extract true Christians from earth before an era of unimaginable trouble of wars, pestilence and famine. **

END-TIMES PROPHECIES ~Coming To Pass

God wants us to know about events that will take place that will affect our lives BEFORE the events occur. That's why He provided over 8,000 verses in His Bible warning of coming events. THERE ARE THREE END-TIMES EVENTS YOU MUST BE AWARE OF:

* The first significant event that heralded in the very end of the end-times, was the successful rebirth of Israel as a nation May 14, 1948, which was foretold by many Bible writers thousands of years prior with remarkable detail. (* See Ezekiel chapter 11, verse 17; Isaiah 11:12)

** The event where Christians are extracted from the earth by Jesus is popularly known as the Rapture. (**See First Thessalonians 4:15-18)

*** The seven-year period called the Tribulation is when a charismatic leader consolidates power over the world's governments, a third Jewish temple is built, and then all hell breaks out, destroying much of earth's population because of famines, plagues and wars. (***See. Luke 21:8-21)

BY INFORMING YOU, WE ARE FOLLOWING GOD'S LEAD.

God put over 8,000 verses in His Bible that predict future events so that those who follow Him will know what will happen beforehand. For non-believers, when they learn of these prophecies, they should come to realize that His Bible is true, and take it seriously!

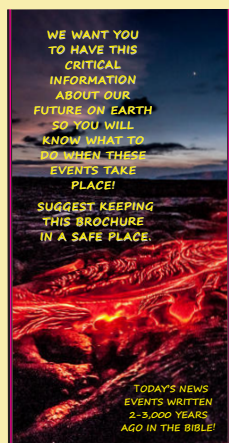

If the Bible is true, then it behooves us to do what it says.

A nationally known commentator recently stated that Christians are "the wise ones." And wisdom is found concentrated in the Bible's "Proverbs."

Proverbs 9th chapter, 10th verse:

"The fear (deep respect) of the Lord is the beginning of wisdom, and the knowledge of the Holy One is insight."

Prov 3:5 ***"Trust in the Lord with all your heart, and do not lean on your own (limited) understanding. In all your ways acknowledge Him, and He shall direct your path."***

Prov 3:7 ***"Be not wise in your own eyes; fear (deep respect) the Lord, and turn away from evil."***

Prov 3:13-18 ***"Blessed is the one who finds wisdom, and the one who gets understanding, for the gain from her is better than gain from silver and her profit better than gold."***

"She is more Precious than jewels, and nothing you desire can compare with her."

"Long life is in her right hand; in her left hand are riches and honor."

"Her ways are ways of pleasantness, and her paths are peace."

Seriously, why wouldn't everybody want what is described? God offers this kind of life to all those who follow Him; the Creator of all things.

WHAT'S GOING ON IN THIS COUNTRY?

This is not the way it should be! This country is too great; its people too talented. But, here we are, in the midst of truly unbelievable crises.

If you are not a Christian, perhaps you don't know what is really going on because you have not read and studied the Bible. This situation must truly seem confusing and mysterious, with your dire question being: "What Is Going On?"

It's also likely that you've never read the first chapter of Romans (in the Bible) that explains the predicament we find ourselves in here in America. It explains step-by-step 2,000 years ago why we're in these crises. Jonathan Cahn's book: "The Return of the Gods" further explains specific details. (*Available at Christianbooks.com*) *Although, if you are an unbeliever, you may find the information a bit hard to take in.*

In this country, as Cahn describes, we've had the sexual revolution, then the rise of the homosexual lobby, AIDS, and now gender fluidity. This is the sequence exactly outlined in Romans first chapter; the direct result of this country actually legislating positions contrary to God's Word.

At the same time, the legislators removed prayer and God from our schools, with devastating consequences, creating a culture that seeks to "cleanse" God from our society. That is why we are where we are as a nation, with seemingly deluded people who can't think straight.

A nationally known commentator remarked in an interview a short time ago that Christians are the wise people who understand what's going on because they've studied their Bibles. Moreover, they are not afraid!

THE SIGNIFICANCE OF ISRAEL'S RETURN TO ITS ANCIENT LAND

You are probably unaware of the end-times significance of the reestablishment of Israel in its ancient land after 2,000 years (May 14, 1948); also unaware of the significance of the Jews selecting their ancient Hebrew language as their state language, or using the Shekel for their monetary system, or Jerusalem being declared Israel's Capital; all prophesied 2,000-2,600 years ago in the Bible.

One, these items are fulfillment of prophecies which prove that God's Bible is true, supernatural, accurate, and should be believed and followed.

Two, it signifies on God's timetable that we are entering the last days, and we will be experiencing many events leading up to the very last days before worldwide judgment as described in the Book of Matthew 24:6-8 and in the Book of Revelation.

Three, there is a long list of prophecies about Israel's incredulous return to its land after many centuries. This is unlike any other people groups which always assimilated quickly. In spectacular contrast, the Jews stayed intact as a people group for 2,000 years wherever they were living throughout the world!

This cannot be denied. The fact that so many prophecies have come true gives undeniable proof that those prophecies that are yet to unfold most certainly will come true! Everyone in the world MUST take notice . . . but, they must be made aware of these prophecies. And that is the purpose of our efforts in: "***The Light.***"
